

APPENDIX 10: Release to compete with soft contact lenses

Boxing Australia Limited Competition Regulation 7.10: Boxers who wish to compete with soft contact lenses are required to have attached to their Competition Record Books the following completed 'Release to compete with soft contact lenses' form. This form requires the written approval of the boxer's optometrist or eye specialist and parent/guardian (if under 18 years), and a commitment by the boxer to wear during competition only soft contact lenses. Boxers competing with soft contact lenses waive the right to eye coverage under any Boxing Australia Limited insurance policy:

I understand the above regulation and give my permission for (boxer's name):

_____ to compete.
